NOTE FOR: General Counsel

FROM: Executive Assistant to the DDCI

Dave,

Regarding the attached, DDCI and DCI agree that we should not share IG documents with the Dingell Subcommittee or anyone else. They also favor [redacted] suggestion to go to the HPSCI regarding the remaining requested documents. We should provide those documents to Tom Latimer, explain the situation, and let HPSCI decide whether or not it wants to provide Dingell's Subcommittee access to the documents. Letters suggested by [redacted] in last paragraph of his note should also be written.
